We have reviewed the accompanying condensed statement of financial position of Eyrir Invest ehf. as of 30 June 2011 and the related condensed statements of comprehensive income, changes in equity and cash flows for the six-month period then ended. Management is responsible for the preparation and presentation of this condensed interim financial information in accordance with IAS 34 *Interim Financial Reporting*. Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410 *Review of Interim Financial Information Performed by the Independent Auditor of the Entity*. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures.
