Basis of preparation

The Bank and the Group condensed interim financial information was prepared in accordance with IAS 34. The interim consolidated financial statements do not contain all the information and disclosures required in the annual financial statements and should be read in conjunction with the Group's annual financial statements as at 31 December 2008.

The accounting policies adopted in the preparation of the interim consolidated financial statements are consistent with those followed in the preparation of the Group's annual financial statements for the year ended 31 December 2008, except for the adoption of the new standards, amendments and interpretations, noted below:

Amendments to IFRS 2 Share-based Payment. This amendment clarifies the definition of a vesting condition and prescribes the treatment of an award that is effectively cancelled. The amendment did not have any impact on the financial position or performance of the Group, as the Group does not have share-based payments.

Amendments to IFRS 7 Financial instruments: Disclosures. The amendments outline additional disclosure requirements for fair value measurement and liquidity risk. These amendments did not have any impact on Group's financial statements.

IFRS 8 Operating segments. The standard sets out requirements for disclosure of information about an entity's operating segments and also about the entity's products and services, the geographical areas in which it operates, and its major customers. IFRS 8 replaces IAS 14 Segment Reporting. The operating segments of the Group determined in accordance with IFRS 8 do not materially differ from the business segments previously identified under IAS 14.

Amendments to IAS 1 Presentation of Financial Statements. This amendment introduces a number of changes, including introduction of a new terminology, revised presentation of equity transactions and introduction of a new statement of comprehensive income as well as amended requirements related to the presentation of the financial statements when they are restated retrospectively. Following the amendments Group presents all items of income and expense in one single statement.

Amendments to IAS 23 Borrowing Costs. The revised standard requires that all borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset must be capitalized. These amendments did not have any impact on Group's financial statements.

Amendments to IAS 32 Financial Instruments: Presentation and IAS 1 Presentation of Financial Statements – Puttable Financial Instruments and Obligations Arising on Liquidation. The revisions provide a limited scope exception for puttable instruments to be classified as equity if they fulfill a number of specified features. The amendments to the standards had no impact on the financial position or performance of the Group, as the Group has not issued such instruments.

Amendments to IFRIC 9 Reassessment of Embedded Derivatives and IAS 39 Financial Instruments: Recognition and Measurement – Embedded Derivatives. This amendment to the interpretation requires an entity to assess whether an embedded derivative must be separated from a host contract when the entity reclassifies a hybrid financial asset out of the fair value through profit or loss category. The interpretation did not have any impact on the financial position or performance of the Group.

IFRIC 13 *Customer Loyalty Programmes*. This interpretation requires customer loyalty credits to be accounted for as a separate component of the sales transaction in which they are granted. This interpretation did not have any impact on the financial position or performance of the Group.

IFRIC 16 *Hedges of a Net Investment in a Foreign Operation*. This interpretation provides guidance on the accounting for a hedge of a net investment in a foreign operation. The interpretation did not have any impact on the consolidated financial statements because the Group does not have hedges of net investments.

In May 2008 IASB issued its first omnibus of amendments to its standards, primarily with a view to removing inconsistencies and clarifying wording. There are separate transitional provisions for each standard; most of the changes are effective for financial years beginning on or after 1 January 2009. These amendments did not have any material effect on the Group's financial statements.

Standards, amendments and interpretations that have been published but as at 30 September 2009 are not yet effective and have not been early adopted by the Group:

- Amendments to IFRS 1 *First-time Adoption of International Financial Reporting Standards – Additional Exemptions for First-time Adopters* (effective for annual periods beginning on or after 1 January 2010).
- Amendments to IFRS 2 *Share-based Payment: Business Combinations* (effective for annual periods beginning on or after 1 July 2009).
- Amendments to IFRS 2 *Share-based Payment: Group Cash-settled Share-based Payment Transactions* (effective for annual periods beginning on or after 1 January 2010).
- IFRS 5 *Non-current Assets Held for Sale and Discontinued Operations* (effective for annual periods beginning on or after 1 January 2010).
- Amendments to IFRS 8 *Operating Segments* (effective for annual periods beginning on or after 1 January 2010).
- Amendments to IAS 1 *Presentation of Financial Statements* (effective for annual periods beginning on or after 1 January 2010).
- Amendments to IAS 7 *Statement of Cash Flows* (effective for annual periods beginning on or after 1 January 2010).
- Amendments to IAS 17 *Leases* (effective for annual periods beginning on or after 1 January 2010).
- Amendments to IAS 36 *Impairment of Assets* (effective for annual periods beginning on or after 1 January 2010).
- Amendments to IAS 38 *Intangible Assets* (effective for annual periods beginning on or after 1 July 2009).
- Amendments to IAS 39 *Financial Instruments: Recognition and Measurement* (effective for annual periods beginning on or after 1 January 2010).
- Amendments to IFRIC 9 *Reassessment of Embedded Derivatives* (effective for annual periods beginning on or after 1 July 2009).
- Amendments to IFRIC 16 *Hedges of a Net Investment in a Foreign Operation* (effective for annual periods beginning on or after 1 July 2009).
- IFRIC 18 *Transfer of Assets from Customers* (effective for annual periods beginning on or after 1 July 2009).

The preparation of financial information in conformity with International Financial Reporting Standards require the use of estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Although these estimates are based on management's best knowledge of current event and actions, actual results ultimately may differ from those estimates.

This financial information combines the consolidated financial statements for the Group and stand-alone financial statements of the parent Bank. Such format of reporting was adopted to ensure consistency of presentation with the format prescribed by the Bank of Lithuania and applied for statutory reporting.

Amounts shown in this financial information are presented in the local currency, Litas (LTL). Since 2 February 2002 the exchange rate of the Litas was pegged to Euro at a rate of 3.4528 LTL = 1 EUR.
