AUCTION OF TREASURY NOTES RIKB 11 0722 & RIKB 25 0612

On **Friday, 18 December at 14:00** the Government Debt Management will conduct an auction of two series of Treasury notes.

The series that will be offered are **RIKB 11 0722 and RIKB 25 0612**. The total amount of accepted bids will be announced after the auction.

The GDM reserves the right to accept all of the submitted bids, accept part of them, or reject all of them. Only primary dealers in Treasury securities are authorised to submit bids in this auction. They also submit bids on behalf of investors. The minimum amount of each bid is 1 m.kr. nominal value.

The auction will be structured as a single-price auction, which means that all accepted bids will be sold to primary dealers at the same price. The lowest accepted price (highest yield) will determine the selling price. In other respects, reference is made to the Terms of Invitation to Tender, which accompany this press release.

The payment and settlement date is Wednesday, December 23, 2009.

For this auction, the GDM requests bids for the following series:

Series	Maturity date	Outstanding amount*	Time to maturity
RIKB 11 0722	July 22, 2011	8,922 m.kr.	1.6 years
RIKB 25 0612	June 12, 2025	32,464 m.kr.	15.5 years

*Nominal value

After the results of the auction are available, the GDM will offer primary dealers the equivalent of 10% of the nominal value sold in the auction, at the price of accepted bids, until 14:00 on Tuesday, December 22. Each primary dealer that has submitted an accepted bid in the auction has the right to purchase an amount proportional to its total purchase. *The payment and settlement date for these transactions is December 23, 2009.*
